

Jessica Reid - Harris

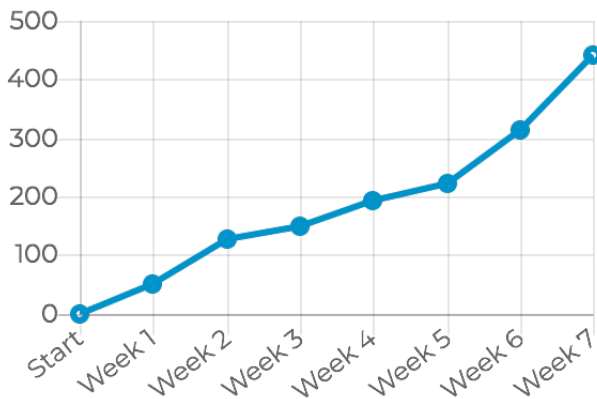

Alpha C# Graduate

I have always loved numbers, logic, solving puzzles and figuring out how things work internally. I've been a self-taught hobbyist developer for most of my life. I've attended different technological training courses learning a vast array of knowledge that have fueled my passion for programming and I've now decided to make it a Full-Time career.

Codewars Score

Personality Type

ESTJ: Practical, traditional, and organized. Likely to be athletic. Not interested in theory or abstraction unless they see the practical application. Have clear visions of the way things should be. Loyal and hard-working. Like to be in charge. Exceptionally capable in organizing and running activities. "Good citizens" who value security and peaceful living.
