

Zach Phillips

Alpha C# Graduate

I'm excited to be learning new skillsets and technologies in development with TrueCoders. I've found development fascinating as it provides a combination of creative outlook and organization. I'm a motivated self learner and detail oriented team player with strong organizational skills. I hope to learn much more and become increasingly passionate as a developer.

Codewars Score

Personality Type

ISTJ: Serious and quiet, interested in security and peaceful living. Extremely thorough, responsible, and dependable. Well-developed powers of concentration. Usually interested in supporting and promoting traditions and establishments. Well-organized and hard working, they work steadily towards identified goals. They can usually accomplish any task once they have set their mind to it.
